

CL-1000 IICT

Lab 11

Cascading Style Sheets

Lab Task:

- Create a folder with naming convention **Name_Rollnum_Sec_TaskNo**. Keep your files in that folder.
- Create your CV using HTML and CSS.
- Make two files on your notepad and save them as following
 - 1.index.html**
 - 2.stylesheet.css**
- Your CV should have following components.
Name, Email, Address, e.g (Sector I-8, Islamabad your) address should not be in detail, link of your (LinkedIn & github), Qualification, Experience if any, Certifications, skills, soft skills, languages, and Interests.
- You have to add your image as well.
- **Dummy Data is not allowed.**
- Submit a screenshot of your CV along with your files and submit the files separately, **NOT** in a zip folder.
