

Instructions

You may choose one of the topic to write 500 words paper.

Send your assignment online here at GCR before **Sunday 11pm** for section D + F.

discuss your queries here or via email: zoya.mashadi.v@isb.nu.edu.pk

Choose a company of your choice. Refer to **figure 2.1** and discuss all the External Environmental factors of that business influencing its operations/policies and end product/services.

Explain what are the possible unethical dilemmas that company might face while dealing with these factors.

OR

Choose a company of your choice and in **500 words** discuss the existing CSR strategies. Suggest potential CSR choices explaining why such options are strategic for their business development.

Happy weekend to you all too!

Needed to make sure you all study for exams.

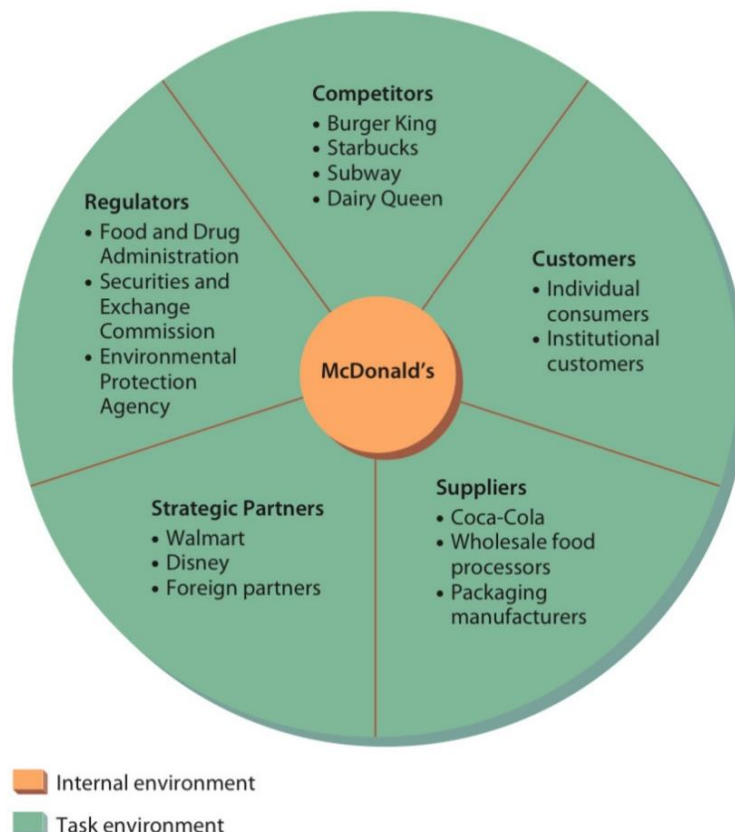

FIGURE 2.1

McDonald's Task Environment

An organization's task environment includes its competitors, customers, suppliers, strategic partners, and regulators. This figure clearly highlights how managers at McDonald's can use this framework to identify and understand their key constituents.
